

Can I Become a Community Advisory Group (CAG) Member?

It is important that the CAG be representative of all the varied interests that exist within the greater study area. In short, we need all viewpoints represented.

Examples of the membership include volunteers from the following interests:

- *Area residents and business*
- *Agricultural interests*
- *Local and county government*
- *Trucking companies/motorists*
- *Cultural groups*
- *Churches*
- *Schools*
- *Others, as they are identified*

These groups represent large numbers of people who will have a stake in the outcome of the US 50 Expressway Project. Therefore, it is important that they be represented on the CAG, if possible.

We expect that the CAG will meet approximately four times over the course of the project.

If you feel you would like to be a member of the CAG, then we would like to hear from you. Please complete a “CAG Membership Request” form. You will find them at the sign-in table. We would like to receive all forms no later than November 16, 2011.
