

US 50 Expressway Project – Community Advisory Group at Work

Community Advisory Group (CAG) Meeting #1 (February 8 & 9, 2012)

- Reviewed CAG process
- Discussed and recommended “interests” represented by the CAG (see “CAG Interest Areas” board)
- Discussed the Ground Rules and responsibilities of the CAG
- Defined and documented the key issues and goals for the US 50 Expressway Project with individual and group “Context Exercise”

Community Advisory Group Meeting #2 (March 26 & 27, 2012)

- Introduced CAG to design principles that guide the proposed improvements with Engineering 101 presentation
- Walked through and discussed Preliminary Proposed Improvements (access and interchange design); CAG members made recommendations for changes

Community Advisory Group Meeting #3 (July 23 & 24, 2012)

- Preview of Public Informational Meeting #2
- Discussion of remaining project development procedures after Public Informational Meeting #2
- Review of design (access and interchange) modifications made after CAG #2 comments incorporated
